TRADE

from Morgan Stanley

Please refer to the E*TRADE Customer Agreement for a complete discussion of the terms Please tefer to the ETTRADE Customer Agreement for a complete discussion of the tems and conditions governing your account. If you have questions regarding the ETTRADE Customer Agreement or your account, please email us through etrade.com or call 900-387-2331. THE INFORMATION CONTAINED IN THIS CONFIRMATION SHALL BE BINDING UPON YOU IF YOU DO NOT OBJECT IN WIRTING WITHIN TWO (2) DAYS AFTER THE CONFIRMATION IS FIRST RECEIVED BY YOU. Securities products and services are offered by ETTRADE Securities LLC ("ETS"), Member SIPC and a business of Morgan Stanley. Your account is carried by ETS, which maintains your funds and securities deposited with ETS. Anaffiliate of ETS may, act as a principal or agent in your transaction(s).

Applicable Rules and Regulations. All transactions in your account shall be subject to the constitution, rules, regulations, customs, and usages of the exchange or market, and its clearing house, where the transactions are executed by ETS or its agents, including ETS affiliates. Also, where applicable, the transactions shall be subject to the provisions of the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended, and the rules and regulations of the Securities and Exchange Commission ("SEC"), the Board of Governors of the Federal Reserve System, and any applicable self-regulatory organization. For Information about FINRA's BrokerCheck Program, including an investor brochure, please contact FINRA at 800-289-9999 or www.finra.org.

Securities held on your behalf at ETS or a central clearing facility but not registered in your name are commingled with identical securities held for other customers, in the event that name are commingious with denoted securates neat for other disconers, in the event that securities so held are called by the Issuer, the securities to be called will be determined by an impartial and random selection system. If your security is selected, it will be presented for redemption and your account credited with the proceeds. You have the right to withdraw uncalled, fully paid securities at any time prior to a partial call and also to withdraw excess margin securities not subject to restriction.

The responsibility to cancel an existing open order rests with you. Any transaction that results from the execution of any orders that you have not instructed us to cancel, prior to execution, will be recorded in your account. Market orders are subject to immediate execution and are difficult to cancel

If required payment or delivery of securities is not made by the settlement date, ETS may, at its option and without further notice, charge interest on the amount shown on the face hereof or cancel, sell out, or buy in the subject securities and charge your account for any expenses, losses, prother costs incurred.

Investments in securities are not guaranteed by ETS, are not insured by the FDIC, and will fluctuate with changes inmarket conditions. When selling a security, you may receive more or less than your original investment.

The principal amount or commission described on the face hereof may include an Additional Fee for special services rendered. Other charges may include commissions paid to affiliates of ETS, local taxes, bransacion (unar charges may include bommissions paidto amustes of ETS, local taxes, bransacion (see, and exchange fees, among others. For customers who choose to convert from the currency in which the security or payment thereon is denominated, the amounts provided with respect to principal, interest, dividend and/or yield is subject to fluctuation or applicable foreign currency exchange rates and costs including a markup charged by ETS. Further details are available upon written request. The name of the party with whom this transaction was made and time of execution of the transaction will be furnished upon written request.

Securities purchased by you or held by ETS may be hypothecated and/or commingled with securities carried for other outstomers.

Call features for bonds may exist and such bonds can be redeemed in whole or in part before maturity and could affect the yield; complete information will be provided upon request. With respect to a zero coupon issue, you will not receive periodic payments, and the curities may be callable at a price below maturity value. Furthermore, a zero coupon issue that is callable and in hearer form may be called without notice by mail to you unless the Issue is_

For an asset-backed security (e.g., GMO, FNMA, FHLMC, or GMNA), the actual yield may vary according to the rate at which the underlying assets or receivables are prepaid. Information concerning factors that affect yield, including estimated yield, weighted average life, and prepayment assumptions, are available upon request.

The ratings that appear in the description of some fixed-income securities have been obtained from rating services that we believe to be reliable; however, we cannot guarantee their accuracy. Securities for which arating is not available will be marked "Not Rated." A withdrawn rating "WR" signifies the removal of a rating on either an obligation or issuer. Confirmations related to fixed income transactions may reflect a mark-up or mark-down; both as a defair and percentage value. The mark-up or mark-down dollar value is calculated as the execution price less the prevailing market price (PMP) multipleed by the quantity. The mark-up or mark-down price less the prevailing market price (PMP) multipleed by the quantity. The mark-up or mark-down dollar value divided by the PMP. Trades with a mark-up or mark-down value of "NA" indicate a negative mark-up (i.e., the sale of the security was at a price lower than the PMP).

Final prospectus and/or offering documentation is available upon request in connection with your purchase of a security where the issuer is deemed to control, be controlled by, or under common control with ETS (i.e., affiliated securities).

"Additional Fees may include a broker-assist fee, an order handling fee and/or market center charges. ETS will charge a fee if you request to have certificates issued in your name Type of Transaction

Payment for Order Flow Disclosure

The SEC (as well as FINRA) requires that all broker-dealers inform their customers w ine SEC (as well as FINICA) requires that all broket-dealers inform their customers when a new account its opened, and on an annual basis thereafter, of payment for order flow practices (compensation received for placing orders through specialists on national securities exchanges, over-the-counter market makers, alternative trading systems, and ECN's (collectively, 'market centers'). Consistent with the over-inding principle of best execution, ETS routes orders to various market makers, including its affiliate Morgan Stanley 8 Co. LLC. ETS receives remuneration (generally in the form of per share cash payments or through profit-sharing arrangements) for routing orders in securities to particular market centers for execution. Such remuneration is considered compensation to ETS, and the source and amount of any compensation received in connection with your transaction will be disclosed to you upon written request. ETS, absent instructions from you to the contrary. source and amount of any compensation received in connection with your transaction with be disclosed to you upon written request. ETS, absent instructions from you to the contrary, takes a number of factors into consideration in determining where to route customers' orders, including the speed of execution, price improvement opportunities (executions at prices superfor to the then prevailing inside market), automatic execution guarantees, the availability of efficient and reliable order handling systems, the level of service provided, the cost of executing orders, whether it will receive each or non-cash payments for routing order flow, and exclored bythings companies. order flow, and reciprocal business arrangements.

Trades noted as "AVG PRICE SHOWN-DETAILS ON REQ" are executed through an average price account. The price shown may represent an average of multiple executions or may represent a single execution at the price indicated. Details regarding trades done in an average price account are available upon request.

Structured Products are complex products and may be subject to special risks. Investors should consider the concentration risk of owning the related security and their total exposure to any underlying asset.

Securities products and services are offered by ETRADE Securities LLC (ETST), Member SIPC and a business of Morgan Stanley. Your account is carried by ETS, which maintains your funds and securities deposited with ETS. Anaffiliate of ETS may act as a principal or agent by your transaction(s).

1,6

Applicable Rules and Regulations. All transactions in your account shall be subject to the constitution, rules, regulations, customs, and usages of the exchange or market, and its clearing house, where the transactions are executed by ETS or its agents, including ETS effiliates. Also, where applicable, the transactions shall be subject to the provisions of the Securities Act of 1933, as amended, and the rules and regulations of the Securities and Exchange Commission ("SEC"), the Board of Governors of the Federal Reserve System, and any applicable self-regulatory organization. For information about FINRA's BrokerCheck Program, including an investor brochure, please contact FINRA at 800-289-9999 or www.finra.org

Securities held on your behalf at ETS or a central clearing facility but not registered in your name are commingled with identical securities held for other customers. In the event that securities so held are called by the issuer, the securities to be called will be determined by secunities so near are cared by the Issuer, the securities to be called with one of elementary an impartial and random selection system. If your security is selected, it will be presented for redemption and your account credited with the proceeds. You have the right to withdraw uncalled, fully paid securities at any time prior to a partial call and also to withdraw excess margin securities not subject to restriction.

The responsibility to cancel an existing open order rests with you. Any transaction that results from the execution of any orders that you have not instructed us to cancel, prior to execution, will be recorded in your account. Market orders are subject to immediate execution and are

Ifrequired payment or delivery of securities is not made by the settlement date, ETS may, at its option and without further notice, charge interest on the amount shown on the face hereof or cancel, sell out, or buy in the subject securities and charge your account for any expenses, losses, or other costs incurred

Investments in securities are not guaranteed by ETS, are not insured by the FDIC, and will fluctuate with changes in market conditions. When setting a security, you may receive more or less than your original investment.

The principal amount or commission described on the face hereof may include an Additional Fee* for special services rendered. Other charges may include commissions paid to affiliates of ETS, local taxes, transaction fees, and exchange fees, emong others. For customers who choose to convert from the currency in which the security or payment thereon is denominated, the amounts provided with respect to principal, interest, dividend and/or yetd is subject to fluctuation or applicable foreign currency exchange rates and costs including a markup charged by ETS. Further details are available upon written request. The name of the party with whom this transaction was made and time of execution of the transaction will be furnished upon written request.

Securities purchased by you or held by ETS may be hypothecated and/or commingled with securities carried for other customers.

Call features for bonds may exist and such bonds can be redeemed in whole or in part before maturity and could affect the yield; complete information will be provided upon request. With respect to a zero coupon issue, you will not receive periodic payments, and the securities may be callable at a price below maturity value. Furthermore, a zero coupon issue that is callable and in bearer form may be called without notice by mail to you unless the issue is

For an asset-backed security (e.g., CMO, FNIMA, FHLMC, or GMNA), the actual yield may vary according to the rate at which the underlying assets or receivables are prepaid. Information concerning factors that affect yield, including estimated yield, weighted average ife, and prepayment assumptions, are available upon request.

The ratings that appear in the description of some fixed-income securities have been obtained from rating services that we believe to be reliable; however, we cannot guarantee their accuracy. Securities for which arating is not ovailable will be marked "Not Rated." A withdrawn rating WR*signifies the removal of a rating on either an obligation or issuer. Confirmations related to fixed income transactions may reflect a mark-up or mark-down; both as a doilar and percentage value. The mark-up or mark-down dollar value is calculated as the execution price less the prevailing market price (PMP) multiplied by the quantity. The mark-up or mark-down percentage value is calculated as the mark-up or mark-down dollar value divided by the PMP. Trades with a mark-up or mark-down value of "NIA" indicate a negative mark-up (i.e., the sale of the security was at a price lower than the PMP).

Final prospectus and/or offering documentation is available upon request in connection with your purchase of a security where the issuer is deemed to control, be controlled by, or under common control with ETS (i.e., affiliated securities).

*Additional Fees may include a broker-assist fee, an order handling fee and/or market center charges. ETS will charge a fee if you request to have certificates issued in your name and mailed to you.

Payment for Order Flow Disclosure

The SEC (as well as FINRA) requires that all broker-dealers inform their customers when new account is opened, and on an annual basis thereafter, of payment for order flow practices (compensation received for placing orders through specialists on national securities exchanges, over-the-counter market makers, alternative trading systems, and ECN's (collectively, "market centers")). Consistent with the overriding principle of best execution, ETS routes orders to various market makers, including its affiliate Morgan Stanley & Co. LLC. ETS receives remuneration (generally in the form of per share cash payments or a co. Ltd. Et a received renumeration (generation type share cases payments or through profit-sharing arrangements) for routing orders in securities to particular market centers for execution. Such remuneration is considered compensation to ETS, and the source and amount of any compensation received in connection with your transaction will be disclosed to you upon written request. ETS, absent instructions from you to the contrary, takes a number of factors into consideration in determining where to route customers' orders, including the speed of execution, price improvement opportunities (executions at prices superior to the then prevailing inside market), automatic execution guarantees, the availability of efficient and reliable order handling systems, the level of service provided, the cost of executing orders, whether it will receive cash or non-cash payments for routing order flow, and reciprocal business arrangements.

Trades noted as "AVG PRICE SHOWN-DETAILS ON REQ" are executed through an average price account.
